General Information

Constitution

YELLOW FUNDS SICAV (the "Fund") was incorporated for an unlimited period of time on February 21, 2013 and is governed by the law of August 10, 1915 on commercial companies, as amended, and by Part I of the Luxembourg law of December 17, 2010 on Undertakings for Collective Investment, as amended.

The registered office of the Fund is established, at 60, avenue J.F. Kennedy, L-1855 Luxembourg, Grand-Duchy of Luxembourg. The Fund is registered at the "Registre de Commerce et des Sociétés" with the District Court of Luxembourg under the number B 175.534.

The articles of incorporation were published in the "Mémorial, Recueil des Sociétés et Associations" (the "Mémorial") of March 1, 2013 and have been filed with the Chancery of the District Court of Luxembourg together with the "Notice légale" on the issue and sale of shares. Any interested person may inspect these documents at the Chancery of the District Court of Luxembourg; copies are available on request at the registered office of the Fund.

The minimum capital of the Fund, as provided by the law, is EUR 1,250,000. The capital of the Fund is represented by fully paid-up shares of no par value.

Shareholders' General Meeting

1. Periodic reports

The Fund publishes annually a detailed annual report on its activities and on the management of its assets; such report includes, inter alia, the combined accounts relating to all the sub-funds, a detailed description of the assets of each sub-fund and a report from the Auditor.

The Fund further publishes semi-annual reports, including, inter alia, a description of the investments portfolio of each sub-fund and the number of shares issued and redeemed since the last publication.

The above mentioned documents are available within four months for the annual reports and two months for the semi-annual reports of the date thereof and copies may be obtained free of charge by any person at the registered office of the Fund.

The accounting year of the Fund starts on July 1 and terminates on June 30.

The combined accounts of the Fund are maintained in EUR being the currency of the share capital. The financial statements relating to the various separate sub-funds are expressed in the reference currency of each sub-fund.

2. Shareholders' information

a) Net asset value

The net asset value per share of each sub-fund is available at the registered office of the Fund and is published in "Il sole 24 Ore".

b) Subscription and redemption prices

The subscription and redemption prices of the shares of each sub-fund are rendered public each day at the counters of the Custodian Bank and in banks offering financial services.

c) Notification to the shareholders

The other information addressed to the shareholders are published in the "Mémorial" at Luxembourg if this publication is prescribed by the statutes or the prospectus. Moreover, they might be published in any newspaper published in the Grand-Duchy of Luxembourg and other newspaper(s) that the Board of Directors may determine.

d) The list of changes in the portfolio of each sub-fund is available free of charge upon request at the registered office of the Fund.

Risk Measurement and Global Exposure

The Management Company uses a risk management process that enables it to monitor and measure at any time the risk of the portfolio positions and their contribution of the overall risk profile of the sub-funds. In accordance with the law of December 17, 2010, as amended, and the applicable regulatory requirements of the Commission de Surveillance du Secteur Financier "CSSF", the Management Company reports to the CSSF on a regular basis on the risk management process. The Management Company ensures, based on appropriate and reasonable methods, that the overall risk associated with financial derivative instruments does not exceed the net asset value of the portfolio.

This means that the global exposure relating to the use of financial derivative instruments may not exceed 100% of the net asset value of the sub-fund and, therefore, the overall risk exposure of the sub-fund may not exceed 200% of its net asset value on a permanent basis.

All sub-funds use the commitment approach in order to monitor and measure the global exposure. The global exposure of the sub-funds is calculated based on the commitment approach in accordance with the methodology described in the ESMA's guidelines 10-788.

Remuneration

Details of remuneration practices for Conducting Officers, Control Functions and Identified Staff are described in the company's remuneration policy which is made available to investors upon request.
